# Senior Dinner Dance

The senior class enjoys their delicious dinners at the beginning of their fun filled night!

Classmates cherish one last dance together!

**Rose Hirschy** and **Chelsey Gerig** swing eachother around the dance floor while enjoying a fun night with their senior classmates!

The senior girls struted into the ACD Museum in dresses of nearly every color. Though some guys were fashionably late due to the time spent primping, no one can deny that they all looked exceptionaly nice! The DeKalb seniors were ready to have a good time at their last high school dance! While classmates waited for dinner they socialized, took pictures, and enjoyed watching **Dakota Smith** and **Logan Leiter** warm up on the dance floor. The evening started off with a delicious meal catered by Munchies. The menu consisted of roast beef, twice baked potatoes, green beans, rolls, and who could forget, cheesecake! **Josh Hunter** and **Casey Ricks** then provided entertainment on the piano and **Andrew Steniman** awed his classmates with his Tae Kwon-Do skills. The music then started and the seniors took to the dance floor! Who knew that **Chase Rollins** could shake his back side so well and that **Woo-Hyun Yoo** is the master of the air guitar? The 2007 Senior Dinner Dance was a full filled night that the seniors will not soon forget!

**Josh Hunter** entertains his classmates with his great musical skills!

**Clay Pearson, Andrew Steinman, Woo-hyun Yoo,** and **Will Reynolds** enjoy each other's company at the dinner table

**Alyssa Cusick** and **Amanda Zimmer** turn for a picture while finishing their meal with some awesome cheesecake!

A table full of dressed up girls enjoy socializing during their last high school dance together.

**Andrew Steinman**, with the help of **Will Reynolds** and **Matt Rensch**, breaks a block of wood during the entertainment part of the night.

Above, the seniors enjoy each other's company after eating, anticipating the exciting entertainment and dancing to come.

**Bobby Clements, Nicole Laher, Jill Jackson, Stacy Hartman, Brian Hines**, and **Jessica Williams** circle up with other seniors for a slow dance.

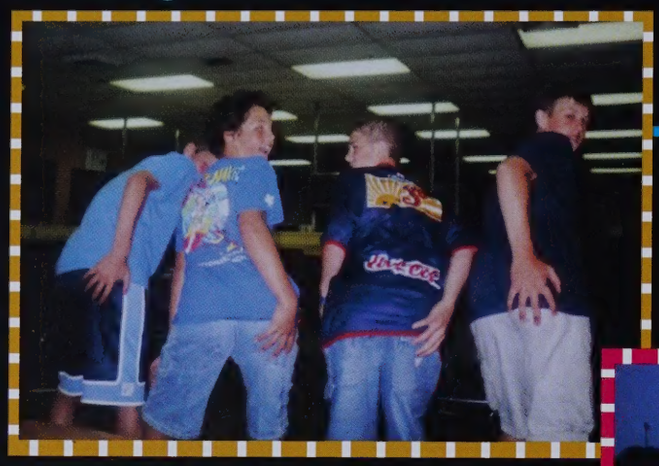
**Alyssa Miller, Tara Flynn, Erica Lacy, Andrea Vogt, Ashlee Rowe, Laura Smith,** and **Emma Taylor** take a break from dancing.

**Bobby Clements, Nate Kline,** and **Brian Hines** show the foreign exchange students how to have a good time!

# Looking Back

## "As we go on, we remember, all the times we had together."



**Chase Rollins, Howie Oberholzer, Ben Quaintance,** and **Matt Rensch** show off their back-sides in middle school.

"Cause we're moving on and
we can't slow down
These memories are playing
like a film without sound"

Can we survive it out there? Can we make it somehow?

**Jonathan Conrad, Howie Oberholzer, Dakota Smith, Will Reynolds, Tim Wallace,** and **Chase Rollins** prove that their friendship with each other has never ended.

"But when we leave this year
we won't be coming back
No more hanging out cause
we're on a different track"

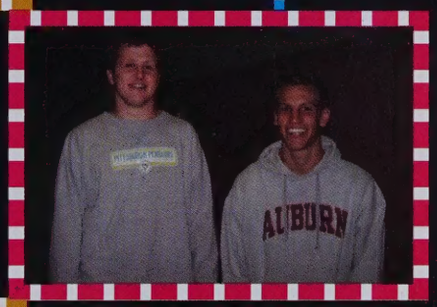
Will we think about tomorrow like we think about now?

**Emma Taylor, Emily Colllins,** and **Ashley Williams** enjoyed their time back in elementary school together.

**Brittany Buchs, Emma Taylor,** and **Wysteria Holt** take time to get back together again just like in middle school.

**Lauren Kelley, Rachel Buchanan,** and **Shelby Miller** remember the fun going away party for a friend in 8th grade.

**Bob Becker** and **Austin Shipe** show that friendship never ends.



**Austin Shipe** and **Dakota Smith** relive their glory days.

Pictured on the left is **Katie Freeman, Kendall Wilhealm, Brittany Buchs,** and **Natalie Buchs**. Twelve years later they are still good friends!

# Super Bowl XLI

| Final | Colts | 29 | Bears | 17 |
|---|---|---|---|---|

The 2007 Super Bowl marked what many say was Indiana's "Super-Dream Bowl." This year's Super Bowl will be marked in history for it's many firsts: the first Super Bowl played in the rain, the first Super Bowl with African-American coaches, and the first Super Bowl with an opening kick off touchdown return. With many divided fans across Indiana, hostilities between rivals were fierce. In the end, the Indianapolis Colts soundly defeated the Chicago Bears in an exciting and exhilarating Super Bowl XLI.

## Highlights!

All of DHS dances were a success this year. From people getting hitched at Sadie Hawkins to getting all dressed up and going to Semi-Formal! The Homecoming dance was another success. People watched the game and then went to the dance and got their groove on the rest of the night. Everyone will agree that snowcoming was super fun! With a great DJ and tons of people, the night went by way too fast! Although there were many great dances the biggest stressor was Semi-Formal. It was postponed not once but twice. Once the day came it was another good time here at DHS. Semi-Formal will be a dance no one will forget!

Do you think the rules on PDA are taken seriously?

-Cassie Lusch-Soph.
"I think that people do what they want, and there should be stricter pumishment because I do not want to see some of the things I do."

-DHS Student
"I do think the enforcement is weak because PDA occurs everyday at DeKalb."

-Erica Gibson-Soph.
"I think the school enforces the small & cute PDA strongly, but the gross & more serious PDA is enforced very lightly."

-Zane Krun-Junior
"They need to leave us teens alone when it comes to our emotions. Thank you!"

# Display of Affection

I think PDA is gross and disgusting, for people who don't have a room, and extrememly displeasurable for the viewer."

-Rachel Buchanan-Senior

"PDA is taken seriously by the Administration, but not the teachers. Almost always it is an administrator I see enforce the rules, but teachers don't seem to care as much."

-Derek Camp-Junior

"I think that nobody takes the rules seriously because students don't really care, and the school and teachers don't notice it."

-Colton Miller-Freshman

"I believe that there is no consistency in the punishment of PDA."

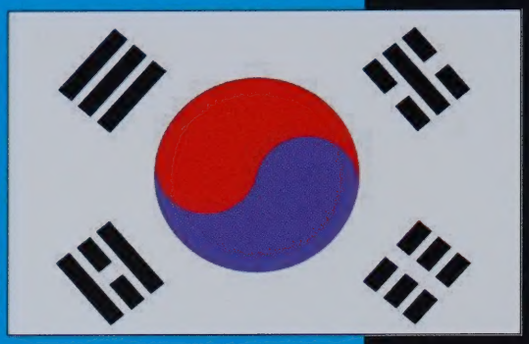
## Highlights

The Saber Staff thanks **Mrs.Rohm** for all of her hardwork and making our class less stressful. We started off the year planning everything out and getting organized. We had to work together to agree on a theme. It took a couple of weeks, but we finally decided on *Highlights*.

Fact: Did you know it cost around $75 to publish each book? The staff went through a lot of trouble in selling business ads so that the price of the yearbook can be reduced for students.



# Student

Woohyun Yoo is staying with the Oneal's and he says that they are his favorite part of the being in the United States. Whooyun is from Daegu, South Korea. South Korea is known for Taekwondo, Samsung, LCT, and Hundai. Woohyun would also like everyone to know that he is very proud of his country. If Woohyun could bring one thing from South Korea to the United States it would be chopsticks so he could show off his mad skills.

Rosa Lozano is from Mexico. She is very impressed with the shopping in the United States and wishes she could take it back to Mexico with her. The change that she has had to go through the most is being more independent because the people in the United States are more independent than in Mexico. Rosa is in love with apples and peanutbutter.

# Exchange

Johannes Fardenman is from Sweden. He enjoys the breakfast food here in the United States but dislikes our unhealthy foods. Johannes is a big fan of European Fashion. He would have liked the United States malls alot more if they had more of the European style in them. He thinks that the biggest difference in the United States is the school systems and that people here are more conservative.

Mikael Johansson is from Sweden. What he misses most about being away from Sweden is his friends and family. But one of the best things about being here is that he has made alot of new friends. He wishes that he could have brought some Swedish fish with him because he also misses them alot! He loves the breakfast food here and when he gets back to Sweden that is what he will miss most.

Student Council organizes the annual Homecoming Convo. Nate Morrow participates in a favorite part, the male cheerleader's dance

Thanks to Student Council DHS students can enjoy dances such as Homecoming, Snowcoming, Sadie Hawkins, and Boscars.

Cloyd Vanderhagg eats a cocconut snowball during the eating relay at Snowcoming. Student Council chooses what foods will be included in the relay.

The 2007 Student Council did a great job this year organizing fun and beneficial events for DeKalb High School! They started out the year with another successful Homecoming with great dress up days and a very upbeat Convo. Then, the week before Christmas Break, Student Coucil got the school ready for Christmas with dress up days. Snowcoming had a great turnout as always with the highlight definetely being the food eating relay and "snowball" (dodgeball) fight. A new event for the group was their Random Acts of Kindness Campaign. This Campaign created an even better school environment for all DHS students.

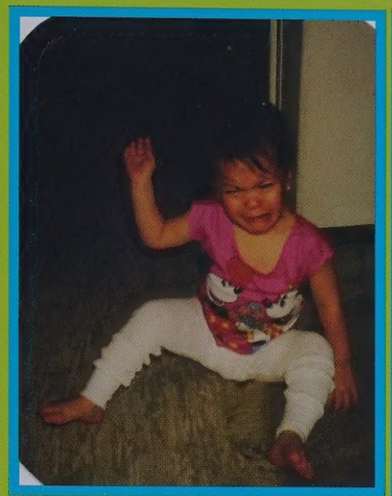
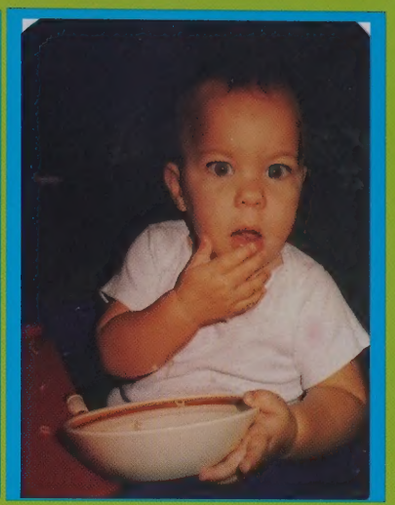
# Rosanna Key

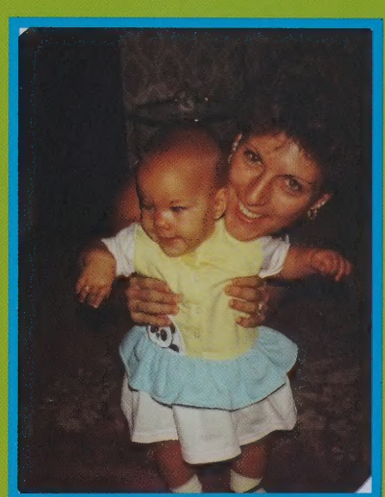




## To Our Loving Daughter Rosanna Key

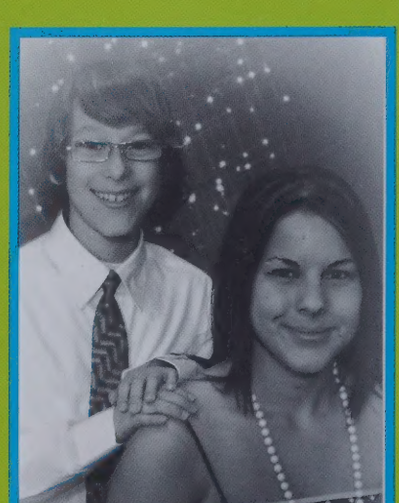
### A Mother's Love

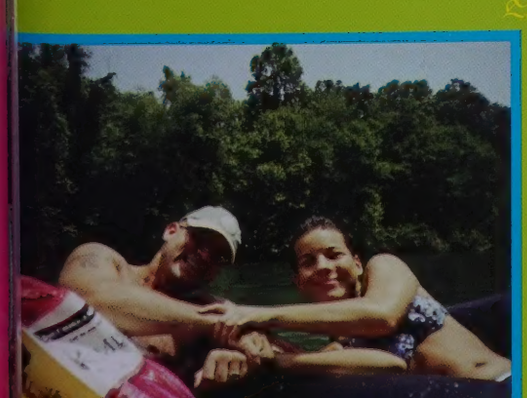
When I Held you for the very first time,
I cried tears of joy for my little gift of life.
To see your first steps and all of your smiles,
Melted my heart for miles and miles.
As you grew up I was filled with fear,
Not wanting you to hurt or ever shed a tear.
I know someday I must finally let go,
But these few words I want you to know.
No matter how close or far away you are,
I'll love you deeper than the ocean,
I'll love you farther than the stars.

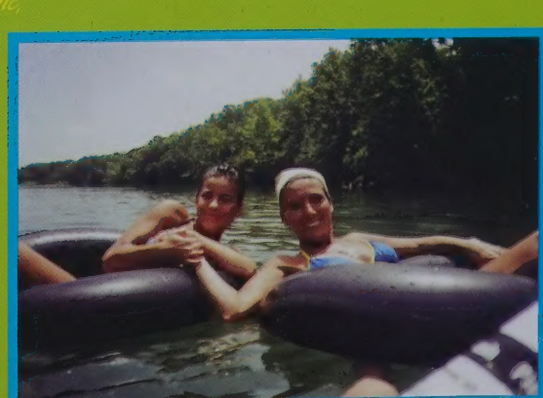


### The Key In My Heart

You came into my life when you were only seven,
You instantly became my little slice of heaven.
Over the years I've seen you grow,
I've seen you laugh and smile, and seen you when you glow.
I've talked you through your tears,
And helped you face your fears.
Sometimes I made you mad,
But hope I mostly made you glad.
I try to make you better when you are feeling sick,
And hope that my help always does the trick.
I always hoped you would be mine,
My little girl for the rest of all time.
People always say I look like you or you look like me,
I thank God he let me make you a Key.
We could not be more proud of this child of ours,
Rosie We Love You till the end of time.
Love Dad







# Kindra Prieto

CONGRATULATIONS KINDRA!!!! YOU DID IT!!!!
Kindra,

Mom and Dad are so proud of you. From the day you were born, we knew that you would be so special. Watching you grow these past eighteen years has been a joy and privilege. You are a smart and talented young woman. As you start a new chapter in your life, never forget where you came from and that family is the most important thing in the world. Being your mom and dad is a great honor, and two parents could not be more proud than we are of you. Always reach for the stars and don't forget to smell the roses along the way.

Love always,
Mom and Dad

Ps….. you're gonna kick butt at Indiana University!!!

Dear Kindra,

You are our first grandchild and we are so proud of you. You have many accomplishments to be proud of. Having you as our granddaughter has been one the greatest pleasure in our lives. We know that your dream of becoming a dentist will be a reality. Even though your Gramma is no longer here, she will always be in our hearts. We love you very much Kindra.

*I have this little angel. For me she left her wings.*
*She has no idea how much happiness she truly brings.*
*She brightens up my days with her smiles and her laughs.*
*She helps me to remember all the blessings that I have.*

*Her face, it is so perfect, she's sweet and soft and pure.*
*Sometimes she can be willful and sometimes she is demure.*
*She tries her very hardest to please and do what's right.*
*She gives the greatest hugs from morning until night.*

*Every person that has known her sees this light within her soul*
*I know that in this whole great world, she has a special role.*
*She's helpful and considerate to everyone she knows*
*This light in her shines brighter as my angel grows.*

*When she sees someone is sad, it opens up her heart.*
*She wants to do all that she can; she wants to do her part.*
*She'll squeeze away the sorrow and make me forget about my pain.*
*She shows me where the sun is when we're hiding from the rain.*

*I know God must love me, He showed me with His Grace*
*I knew just how completely when I saw my angels face.*
*And in that very moment when she came into my world,*
*I knew that she was so much more than just my baby girl.*

*She would be my sunshine, with sweetness that won't end.*
*And when she grows up one day she would be my closest friend.*
*She would be the reason I would always try my best.*
*For my little angel baby girl would be my greatest test.*

*With all our love to this beautiful daughter, granddaughter, sister, cousin and niece.*

# Highlights

**Above: The Yearbook girls have a day to relax by eating pizza and celebrating the finish of the yearbook.** Editor, Natalie Buchs, worked hard all year to make sure pages were completed and deadlines were met. The 12 girls (along with 4 students that left after sem. 1) and Mrs. Rohm put together the 2006-2007 Saber yearbook with the help of Taylor Representatives Greg Samples and Jessica YoungPeter. **This year's theme of "Highlights" was chosen by the yearbook staff, and the cover was designed by graphic art students, Chelsea Cain and Lauren Kelly.** Pictures throughout the book were taken by various staff member and students. **Mark Murdock and other Evening Star photographers supplied professional pictures when the staff was short on photos.** Lifetouch by Prestige took all the underclass, club, and some team sports photos. We hope that everyone will enjoy this year's Saber yearbook. A lot of time, effort, and creativity went into the making of this year's Saber. ***If you appeared in a picture that was not properly indexed, we apologize.**
